If more guests are served than the guaranteed number, the additional guests will be billed at one and one half times the quoted charge. In the event this final count is not received, the original estimated attendance will be prepared and billed. All charges must be billed through the member's account. We require a minimum food & beverage revenue (not including service charge & tax); this may vary based on spaces used and time of year.

Confirmed prices will not be quoted more than 30 days in advance of the function date. A 22% service charge and 6% sales tax will be added to all food and beverage items for business and sponsored events. A 20% service charge will be added to all member personal event food and beverage items. If your group is tax exempt, we will provide you with a form to complete and return to the Events Manager. This form must be completed and returned prior to the event.

Cancellation Policy

Events canceled within 2 days of the scheduled date may be charged 50% of gross food sales based on the guaranteed menu count.

Entrée Selections

The entrée selection on all banquet menus is limited to one choice. You may choose two entrées if you give advance notice of entrée selections and specify with a visual marker to identify entrée choice at each place setting.
